CURVY CARLY

I just wanted to thank you for featuring Carly in Vol. 22 Issue 6 of *MensWorld*, a girl who for me – a fan of the fuller-figure – is the sexiest girl you've had in the magazine this year so far. With that sexy, skimpy lingerie and her big tits and rounded bottom, she had me going back to her time and time again, and I hope this is the start of you putting a few more curvaceous and womanly models in *MensWorld*. Not that I'm complaining, as out of all the magazines out there I think you guys publish more girls that I find sexy than all the others put together – I guess I'm just being greedy! And on that note, please can I have more Carly?
Darren, Wrexham

Cheers Darren, it's always nice to hear from our Welsh readers, and also one who is a fan of what you might call 'real women'. Carly really has got a breathtaking body, with curves in all the right places, and a really sexy and suggestive smile. When we first clapped eyes on her we weren't actually sure if she'd be right for MensWorld, but when we saw her in that lingerie with her ample cleavage on display we were quickly persuaded otherwise. To be honest Darren, we want her back just so we can watch her strip off for us again! You ask , and so we shall deliver...

SUPPORTING THE EURO

It's all very well people like Gavin from Carlisle (Vol. 22 Issue 6) going on about wanting another 'boom time' for British girls in *MensWorld*, and Barry from Swanage singing the praises of the American pornstars (same issue), but why does anyone never mention the Eastern European girls? Honestly, it really does my head in.

Time and time again a gorgeous new model appears in *MensWorld* from Hungary or the Czech Republic or Russia and it seems to go pretty much unnoticed.

I mean, there's me thinking they always look incredible but yet all the other readers want to write in about is finding the next Jo Guest or to go on about some bird with fake tits from America. It's almost like the Eastern Europeans are just taken for granted, so I felt I had to put pen to paper and fight their corner.

Take *MensWorld* Vol. 22 Issue 6, for example. Marketa and Nicole looked so cute and sexy, Natali is probably one of the hottest blonde girls around at the moment and Sonia Red, a really unsung model in my opinion, looked incredible with Nikki for their girl/girl shoot.

So please can we have some respect for the Eastern European models? I honestly don't think they get the credit they deserve. And forget trying to find the next Jo Guest – I want you to find the next Silvia Saint!
Rob, Hartlepool

BRITS VERSUS YANKS?

I keep seeing that Britain's Got Totty advert in *MensWorld*, with a bunch of girls from over here going up against each other to see who is fittest, but surely a better idea would be to do a competition between the British models and the American birds.

In Volume 22 Issue 6 you had the truly gorgeous Gemma Massey up against a girl from across the pond who I'm a big fan of, Angelina Armani. Personally, I couldn't separate them, but it would be interesting to put it to the vote!

In the issue before that you had two very different models in brand new Brit bird Sasha and voluptuous American pornstar Sunny Lane, and that would've made for a very interesting head-to-head. I'd go for Sasha, but I'm sure Sunny would run her close! Anyway, why not give it a go? It would be interesting to see if the British girls came out on top.

Kenny, Northwich

Nice idea Kenny, and yes, the results would be very interesting. Would people be patriotic or vote with their cocks? Do our readers genuinely think the Brit girls are hotter than the yanks? Let us know what you think about us running such a competition. I think it would be fascinating to see which girl won out in the end. Sasha? Gemma? One of the trillions of fit yank birds?

Whilst washing her fancy sports car, busty blonde bombshell Mackenzie Pierce appears to have got a bit bored and decided to start washing herself instead.

Naturally, we're not complaining, as checking out this big-boobed American babe soap up her front bumpers makes for much better viewing than watching her scrub birdshit and dead insects off the windscreen of what looks like a swish Corvette convertible.

I can picture her now, driving around town with the top down, turning heads wherever she goes. The jaws dropping as she cruises by in some skimpy outfit or other, R&B blazing from the stereo, crowds of blokes assembling as she attempts a parallel park for the seventeenth time…

SEXING THE EX!

My ex-boyfriend Kevin and I have taken the amicable breakup to extremes. He's still my flatmate, even though I've moved my new man, Rob, into my place. They're both laid-back about it and have even become mates. Kevin was dating another woman, but recently they broke up. One night, he got nostalgic for the days when we were going out, telling Rob that he was a lucky guy. "Want to borrow her for the night?" asked Rob.

"You twat, it would serve you right if I went for it!" I laughed, but in reality the idea got me all juiced up. We carried on chatting and flirting, and before long I got naked, kissing Rob while Kevin stood behind, caressing my tits as he played his cock against my arse. Then I got on my knees and switched between their hard-ons, sucking and wanking them in turn, then rubbing the spit-wet ends of both against my nipples.

Both of them kept talking about me like I wasn't there, though it's hard to join in a conversation when you have a mouthful of cock. Rob asked had I learned how to wank a guy two-handed when I was with Kevin, who said I already knew how he liked it when we first met.

I began to do it to Rob, unable to resist showing Kevin what he was missing, palms skimming up and down his shaft and over his helmet. Then Rob leaned over and pulled my arse cheeks apart, inviting Kevin: "Plough in!"

My pussy tingled as Kevin's prick penetrated my cunt, and I heard a groan from him too. Our fucking had got a little stale and familiar toward the end, but now it felt good again. That got me jerking Rob's dick harder, then I put it in my mouth.

This set-up was a little unsteady, Kevin's thrusts so hard I was almost knocked off of my feet. So I led the guys over to the sofa, stretching out and picking up where we'd left off. I kept looking up at Rob, wanting him to see that while I was getting off on Kevin drilling my cunt, he was my man now. But he could see the pleasure on my face as I closed my eyes, and he began to fuck my mouth a little faster, too.

Kevin was playing with my clit, making me cum around his dick and moan around Rob's. Then he said how much he'd loved doing me in the arse. "Mmm," I moaned, and felt him pull out of my snatch, then slip into my pucker. Rob's cock jerked against my tongue – he loves doing me in the arse, too! I thought Kevin wouldn't even get off ten strokes before he came, and sure enough, I felt his spunk spurt out almost immediately.

As he wiped his cream-coated tip on my bumcheeks, I sucked Rob harder. He held off for a minute or so, then I was gulping down the contents of his balls. Now it was Rob's turn for a fucking so I straddled him, tits in his face. But Kevin naturally wanted in, too. He stood there beating his meat right in front of me, his helmet shiny-purple. I thought back to how I used to tongue it all over till the pre-cum seeped out the tip of it. It was already wet and I revealed my inner thoughts with a lip-lick.

I sucked on it loudly and greedily, letting him push it down my throat, then pulling off to suck his helmet. He put a hand on my shoulder, but until he actually told me to cool it, I wasn't going to slow things down. I used to love making him cum hard and, as I thought it, I got the first jet on my tongue. When I had a mouthful, I sat up straight and let Kevin's cream drip out onto my boobs. Then, as I rubbed it in, I felt my boyfriend shoot off in the depths of my cunt.

There hasn't been a repeat of it since – Kevin's been dating. My ego likes to think he's looking for a new me, but I

I LICKED AT HER SNATCH AND TEASED HER BUMHOLE WITH A WET FINGER

know I'm more compatible with Rob. That doesn't mean I'm never tempted to sneak into Kevin's room for old times' sake, though…

PLASTIC FANTASTIC!

I met Brittany in the sex shop where she worked, and she insisted I buy a different vibrator to the one I'd chosen. Pushy cow, I'd thought – only to feel grateful when I tried it out later and came like I never have before.

After that, I'd stop in to buy her latest picks, and after a while she recommended I come over to her place to try out some new stuff. She let me play with her favourite vibe – pink and cock-shaped, nothing special to look at but it had one hell of a kick! But the toy she really wanted to test out was a double-ended dildo.

She'd used it solo, but she wanted to give it a 'full test run' and reckoned I was the girl for the job. Well, I was nicely juiced up from playing around with her dildo. She handed the double-dick to me and told me to guess which end she'd fucked herself with. I sniffed and tasted it, guessing right because of the tang of pussy. And that was the end I slipped inside of my own cunt too, twizzling it around and pumping it hard.

"Stop and let me get on," said Brittany, and inserted the other end in her twat. That pushed it harder and deeper into me, too, but she sighed with satisfaction when our mounds touched in the middle.

We locked thighs and fucked together, pussies clashing around the solid shaft. Then I slipped the vibrator in between us, touching our clits, and Brittany's hips began to buck, slamming the dildo in and out my hole. Being Brittany, she needed to show off a little, gripping it tight with her pussy muscles, and jerking it inside of my hole. But that just got me humping against her, and soon we were back to a banging frenzy, cumming till Brittany slumped back, exhausted.

My clit throbbed and so I touched the vibe against it, trying to orgasm just once more, only for Brittany to groan and beg me to stop. I think she didn't like that I'd outlasted her. She got off of her end of the toy, then pulled it out of me before deep-throating it from both ends. Then she dove her face down to give me a pussy licking.

I wanted to taste her too, so she swung around into a sixty-nine, sitting on my face. I licked away at her snatch, and also teased her bumhole with a wet finger. She took this as a signal to play with my bum too, lapping up my fanny cream then dripping mouthfuls of it over my arsehole.

I took a couple of her fingers in there, then felt something much bigger bump up against it. She was slipping the double-dildo inside of me. She took it slow, easing me open, drooling to keep my bumhole lubed. Then, when it was a way inside, she began to fuck me with it. It felt so good, especially while I sucked on her cunt, but then she got off of me and repositioned me on all fours. I couldn't see what she was doing in behind me but then I realised she was sticking the toy back in her snatch.

She started to fuck me, slamming her hips, muscles gripping the shaft again so it sunk in me just deep enough. I got her vibe and buzzed my clit, my orgasm immediately exploding through me, so powerful that Brittany felt it inside of her too as my arse spasmed around the dildo.

I moaned so loud as she pulled herself off of it that she left it sticking out my arsehole. She sucked it clean of her own juices, while frigging herself to an orgasm, then just laid down next to me, the two of us totally spent once again.

We have so much fun playing with our dildos, plugs and vibes together – she has the best job in the world! Now our ambition is to design the ultimate sex toy, which guarantees a girl will cum like never before. We

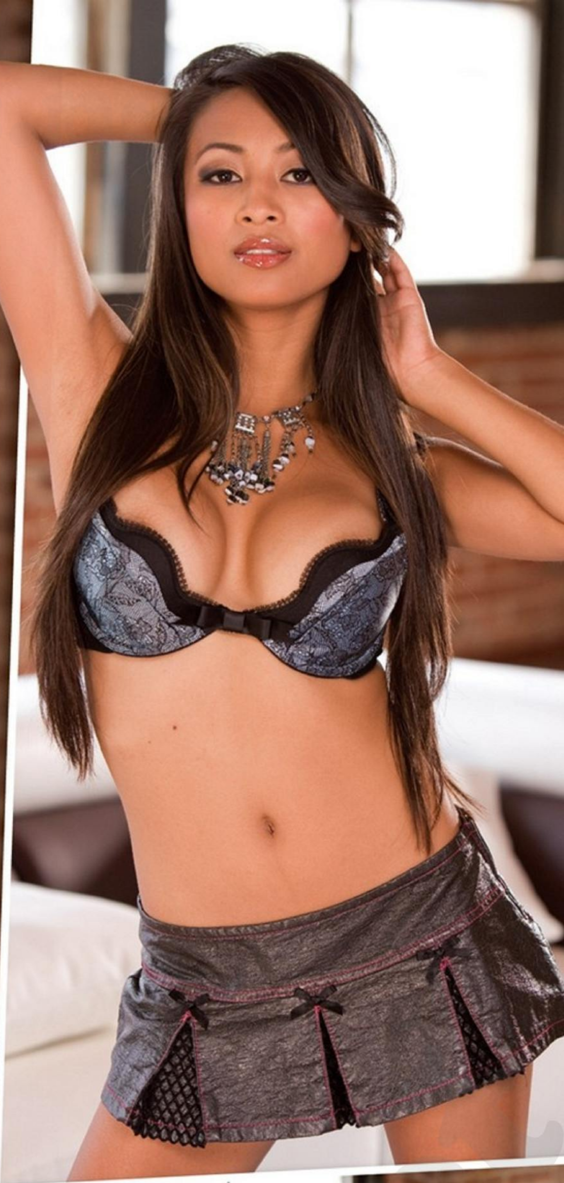
KINA KAI

PHOTOGRAPHY: HOLLY RANDALL



Foxy Filipino Kina Kai is currently making big waves in the world of fetish, so for this shoot we asked her to bring along one of her favourite outfits for that type of modelling work so she could show us what all the fuss is about.

"This is the type of thing I would wear if I had to play the dominant role, which I want to do for you today," Kina said as she took that sexy little skirt out of her bag, followed by those kinky stiletto-heeled ankle boots.

"I find that men love me in leather, and the skimpier the outfit the quicker they seem to become putty in my hands."

And when she strutted onto the set wearing this little ensemble I think it's fair to say that Team *MensWorld* would've all done a forward roll and whistled the National Anthem had Kina bothered to ask, but instead we just stood there with our cocks twitching in our trousers, looking on agog as this sexy fetish queen slowly stripped off for the camera.

"So now do you understand what all the fuss is about?" she asked with a coy smile after we'd wrapped for the day.

To be honest, we could barely speak…

PORK HO' RICO!

Big black cocks in tight white slots? Yep, that's the order of the day as our US porn correspondent Emma Edwards joins Rico Strong and his massive dong on set with interracial director legend Alexander DeVoe...

Rico the Destroyer 2
Starring: Rico Strong, Kelly Divine, Juelz Ventura, Shyla Stylez, Sophie Dee, Missy Woods, Velicity Von.
Directed By: Alexander DeVoe.
Available From: Alexander DeVoe Productions.

Kelly travels to the planet of the gapes.

In the popular world of interracial pornography, there is one name that consistently stands out amongst the pack, and rightfully so. That name belongs to Alexander DeVoe, a heavily awarded director who recently seized coveted awards for his ethnic themed excellence at the recent 2010 AVN Awards Show in Las Vegas.

A verified master at creating sexual build-up and a palpable crescendo through his lens, DeVoe pushes the limits of sexual boundaries and consistently delivers what IR fans crave. Watching his sexual creations unfold is more like being a participant in a special event, rather than being an outsider looking in. With a profound attention to detail and an uncanny talent for pulling out the very best in his performers, DeVoe has granted us ringside seats into watching another one of his epic tales unfold.

Again joined by performer extraordinaire, Rico Strong, both men set out to turn the porn world upside down with *Rico the Destroyer 2*. This highly anticipated sequel promises to be even hotter and more daring than the first, rendering this girl's panties all bunched up.

Hot with anticipation, the first scene of the day starring Sophie Dee and Rico is already underway. Sprawled out in a chair with a corded clit wand hanging from the ceiling, Sophie is hard at work squirting her gash gush all over the basement floor. With streams that shoot out five feet from her pussy, cast and crew are forced to move back or else suffer the victimization of Sophie's soaking. DeVoe, the man behind the lens, sets in closer. He's eager to show just how wet this bitch can get. "Keep those legs open," he whispers from behind the camera, as Sophie surprises us by pulling a toy out of her ass.

As the last sprays of her juice are loose, Rico enters the scene and silences her moans by sticking his thirteen-inch cock into her mouth. She sucks his jumbo rod and uses tons of slobber until his jeans are soaking wet.

[redacted]

Watering eyes: model's own.

Sophie Dee begs for a rubber cushion.

"Stuff that fucking thing down my neck," she insistently begs before being spun around on a chair to take his heat up her ass. Slipping right in with minimal effort it is obvious that Rico is not dealing with some amateur asshole. Instead, Sophie's ass rises to the occasion and is soon rimmed with frothy cream. "I think my butt likes you," she responds as the anal frosting billows down her legs.

Once his cock resurfaces from the depths of her anus, Sophie is quick to stick it in between her tits where an awesome titty fucking session ensues. Although this lasts for a long while, Rico proves to be more of an ass man when he goes diggin' in her gape once again. After several more positions, Sophie's ass milks the cum right from Rico's rod, ending with an anal cream pie finish.

In the next sequence, Rico reveals what he covets most of all when he opens up a wooden chest to reveal Shyla Stylez tied up inside. Bound by the wrists, ankles, and mouth, Rico tinkers and teases Shyla before setting her free. All of her pented up frustrations bodes well for Rico, as she's eager to settle the score.

"Baby, why don't you untie me. Let me show you my skills," Shyla whimpers as the wrap around her mouth comes off and Shyla falls to her knees. With a big, black cock thumping across her forehead, Rico eases his snake into her face. Showing no sign of a gag reflex, Rico goes all the way down her throat with ease. In fact, when looking closely, I can actually see Shyla's neck rounded out with cock!

After having Shyla crawl around the dirty floor for a while, Rico summons her pussy to the cause. With wide spread legs and a saucy slit, Rico rests Shyla's foot on a staircase and experiences her pussy in standing doggie position. "Get it baby. Get it!" she cries out, as her fingernails clinch into the wood railing. In time, Rico ceases to hump as Shyla takes control by moving her own body back into his.

After trying out her vag in a few more positions, Rico takes a seat on a metal chair and arranges Shyla's asshole on his cock in pole position. Instead of riding him out, Shyla just holds her butt flaps open and lets Rico do all the work from underneath. "Don't you fucking move," he warns repeatedly, as he has her right where he wants her.

From here on out, Shyla's ass is rearranged and pounded like never before! She takes all Rico has to give and even gives him some of her own medicine. When both actors appear to be spent and on the brink of death, Rico pulls out of Shyla's ass and spills his load across her tongue. Hot!

The dark story continues to unfold in the next scene when Velicity Von sits alone in a dark room with a black hood over her face. Rico emerges onto the scene in medical overalls and latex gloves to examine his catch. She remains silent through his odd inspection of her holes and only moans ever so slightly when he pinches her pussy lips together like a taco.

While still in loose restraints, Rico pulls out a glass dildo and begins to prep her holes for the black pounding that is moments away. Her pussy takes the toy with ease, and is later streaming with syrup. Apparently, she's way into this kinky sexual display. With lots of moaning and eyes wide open, Rico lifts up her black hood just enough to reveal her pretty mouth. We only get to see it for a split second before it is filled with cock and pooling with saliva. "Shit, shit, shit!" is all he can say as her hands come free and begin to explore the ridges of his cock. From here on out, Velicity is on fire! She commits mind, body, and soul to deliver a remarkable blowjob that has the room silenced.

After crazy amounts of oral play, Velicity is

folded in half over a metal stool. With her knees pressed up by her ears, Rico decides to take her pussy out for a test drive first. He rams himself into her hard, nearly pushing her off the stool on several occasions. Using the weight of her stomach as an anchor, Velicity holds on and continues to take it. “Don’t you fucking stop,” she screams, as her face begins to redden and contort into hot, orgasmic shapes.

After coming a few more times, Rico lies on the floor and has Velicity jump on his lap in reverse cowgirl position. With her perfect tits facing the camera, and a white ass being milled by a black cock, Velicity finds her second wind and goes for broke. Proving to be ready for everything that Rico throws her way, Velicity takes it hard like a good fucking slut!

In a glass blowing facility set in the bowels of downtown Los Angeles, Rico has Juelz Ventura tied up to a metal rack. He kisses and tries to worship her tied up body while she openly expresses her discontent. “Get your dirty fucking mouth off me!” she screams, as the sound of the machines drown out her anger.

RICO PLUGS JUELZ’S PUSSY WITH HIS CHOCOLATE THUNDER

Although she wiggles and squirms and tries to remain uninterested, he is rubbing and sucking her the right way. Soon, her rage softens and is replaced by moans. Now in a more agreeable manner, Juelz begins to cream herself once Rico starts to toy with her twat with a glass stick. “I knew you’d like it,” he says, while licking her cooze butter from the stick.

With her head now dangling down from the rack, Rico sticks his cock in her mouth. This upside down blowjob is incredibly hot and is made better with tons of spit that cascade down Juelz’s nose, eyes, and forehead. “Be a good girl and open up wider,” Rico commands, with a mission for her to go balls deep. She happily complies, although she comes up a few inches short of victory.

Once her legs are cut free, Juelz willingly crawls over to Rico to be serviced the right way. “I knew you’d come around,” he smiles, while she decorates his cock with more saliva stringers and webbed fingers. As the two sexually progress, Rico plugs Juelz’s pussy with his chocolate thunder by bending her over the cart to take ownership of her pussy in standing doggie. Filled with plenty of cream, Juelz’s pussy begins to leak its contents onto Rico’s cock like a custard- filled donut. He doesn’t mind the gooey mess however, as he refers to the slippery slide on several occasions.

Juelz is later fucked across the workspace and is used up in every position Rico can contort her young body into. Although Juelz is the only one who doesn’t commit her ass to the project, her vaginal skills prove to be top-notch and the anal isn’t missed.

Missy Woods, an incredibly good-looking blonde is later found being double stuffed by Rico before the movie ends. Kelly Divine, a very notable inclusion, also comes out to play in a scene that is being presented as a bonus. What transpires are two more rounds of heart thumping interracial sex that really help to make this release one of DeVoe’s hottest commodities to date.

Helmed by an extraordinary creator, and brought to life by stellar girls and the impeccable style of Rico Strong, *Rico the Destroyer 2* has perfectly demonstrated what interracial sex ought to look like. The bar has been raised, check it out to see the new gold standard.

Travelling salesmen had changed a lot.

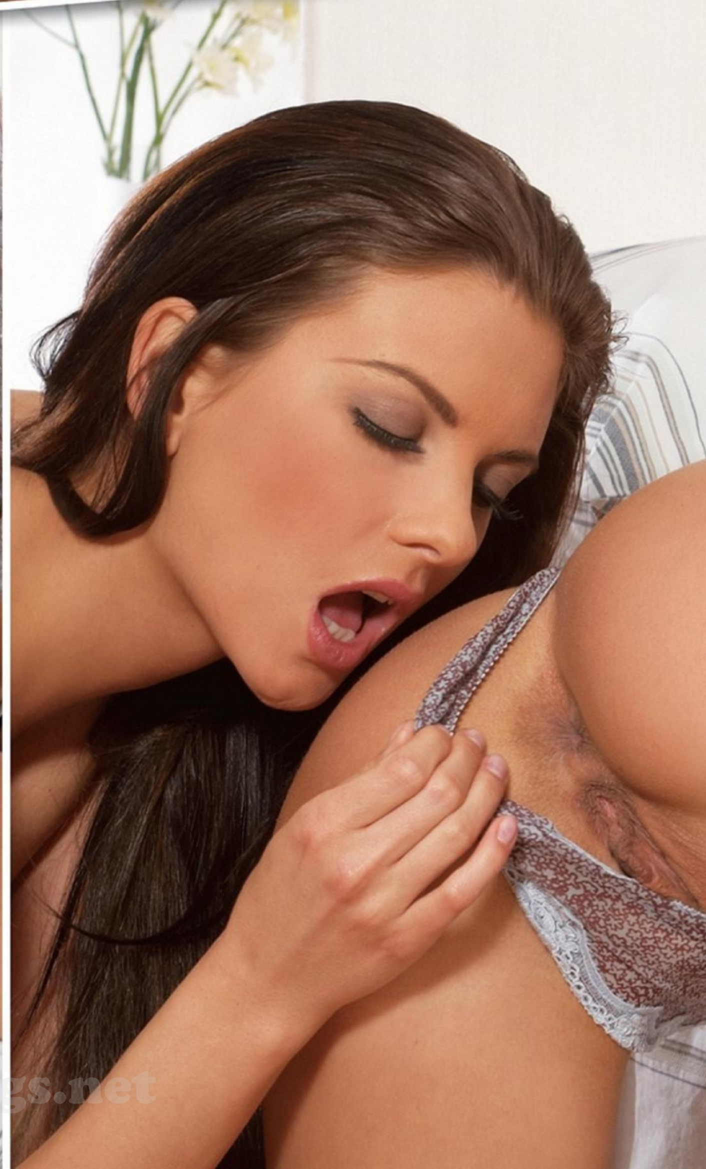
MONIKA & SUZIE

PHOTOGRAPHY: STEVE COLBY

HARDCORE PICS
WWW.PAULRAYMOND.COM/MENSWORLD



You probably think that organising these lesbo shoots is easy – just stick a couple of horny models in a room together and let them crack on with it – but in reality they can be a right old pain in the arse.

If there's no chemistry between the girls then the whole thing can end up being a damp squib, and if they don't even get on then you might as well just pack them off home in separate taxis, because shoots with two feisty models who can't stand each other are always a disaster.

Thankfully, we had no such troubles with Monika and Suzie here. As you can see from the pictures, they bonded from the word go, and the only problem we had was getting them to look at the camera instead of just burying their faces in each other's pussy.

"We'll save that for later then," Monika said to Suzie with a smile. And she definitely wasn't teasing.

MIRIEN

PHOTOGRAPHY: VLT

HARDCORE PICS
WWW.PAULRAYMOND.COM/MENSWORLD

You can often tell what a photographer thinks of a model and, more specifically, how highly he rates her, purely from the quality of the soft furnishings used in the shoot.

For example, if the girl has to cavort around on the floor, then the chances are that the snapper doesn't think that much of her, or perhaps she's been a bit narky beforehand.

If the model is given a beanbag or a very basic Argos/Ikea sofa to work with then this is a sign that the photographer thinks the girl has potential, but perhaps might lack the necessary attributes to make the big time.

So what does this DFS-style luxury leatherette affair tell us about the snapper's opinion of Mirien here?

Well, it indicates that they see her as a girl on the up, and that they were keen to make her comfortable so she'll work with them again. The quality cream double-seater also suggests that we can expect to see more of this perky brunette, next time perhaps on a chaise-longue with velveteen cushions. Really, did you ever think a couch could say so much?

Foxy Boxing

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF SHOWBIZ AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: The Wimbledon Wank – Sharapova vs Kournikova

Pedigree

Sharapova

Maria's parents, Yuri and Elena, fled the Chernobyl hit town of Gomel in Belarus just a year before their future tennis star daughter was born, and her early life was spent in the frozen climes of Western Siberia. Sharapova's early training consisted of hitting snowballs with a frying pan, but she showed enough promise to ultimately win a place at the Nick Bollettieri Tennis Academy in Florida, where they had proper bats and balls.

Kournikova

Russian beauty Kournikova was raised in a very sporty environment. Her father was a former Greco-Roman Wrestling champion and a professor at the University of Physical Culture and Sport in Moscow, and her mother was a decent 400 metre runner. Anna started playing tennis when she was aged just five and, like Sharapova, honed her skills at the legendary Nick Bollettieri Tennis Academy.

Round 1: Sharapova's early brush with radioactivity may explain her superhuman tennis ability, but nuclear powers can't compete with the force of Greco-Roman wrestling genes. Kournikova takes the first round.

Tennis Ability

Sharapova

A former World Number One and winner of three singles 'Grand Slams', there's much more to Maria Sharapova than a pretty face and a stunning body. In a period that court pundit John Inverdale may have referred to during a lengthy Wimbledon rain break as a 'Tennis Wank Drought', Sharapova spent 10 months out of the game with an injury, but she's getting back to her best and should be giving fans plenty of opportunities to try and see down her top and up her skirt at this year's Wimbledon.

Kournikova

It's a well-known fact that most of her male fans have no idea how good Anna Kournikova is at tennis because they're always busy masturbating when her matches are on telly. Indeed, in a survey that might've been done by *The Guardian*, the majority of them confessed to 'only ever having seen her play in bursts of around three minutes'. For the record, Kournikova has never won a Grand Slam singles tournament, her best performance coming when she reached the Wimbledon Semi-Finals in 1997.

Round 2: Kournikova might be returning to play in the Women's Doubles at Wimbledon this year, but most blokes will have switched off after they've emptied their balls over the Russian court queen. Sharapova, on the other hand, could be giving men stiffies until the semis.

Sex Appeal

Sharapova

Leggy, lean and toned to perfection, Sharapova has the kind of figure that drives men to distraction. Indeed, during a game of mixed doubles at the 2003 US Open, the Siberian stunner flashed her knickers at opponent Jim Courier, causing him to slice a backhand into the crowd which famously struck a watching Matthew McConaughey on the forehead, knocking the popular rom-com actor out cold for seven minutes.

Kournikova

Anna once said: "I'm like a menu at an expensive restaurant. You can look at me, but you can't afford me". And at the peak of her fame people did want to look, with searches for images of the Russian beauty being the most common on Google for a time along with 'donkey fucking that nun'. An issue of *Sports Illustrated* with Kournikova on the cover was one of the highest selling in the magazine's history, and she also topped *FHM*'s '100 Sexiest' list in 2002.

Round 3: The closest round in Foxy Boxing's short history, this one was a tough one to call. However, Anna sneaks it by virtue of having never damaged Matthew McConaughey, or indeed any rom-com stars.

Romance

Sharapova

For those who were perhaps hoping to bump into Maria at their local Wetherspoons or Harvester and engage her in polite conversation over a fresh orange and a two-for-one meal-deal, I'm afraid we have bad news – Sharapova is currently dating 6' 7" LA Lakers basketball star, Sasha Vujacic, who would probably slam-dunk your face into your ham and eggs were you to move in on his bird. Not that you'd be likely to catch Maria in a Harvester, as she lives in America where they don't have them.

Kournikova

After working her way through a couple of Ice Hockey players and claiming in an interview that 'I have a lot of boyfriends. Every country I visit I have a different boyfriend, and I kiss them all!' Anna is currently in a mysterious on/off relationship with Spanish pop twat Enrique Iglesias, a man who could probably look at the menu in an expensive restaurant and actually afford to buy things off it, like a prawn cocktail or a juicy steak with all the trimmings.

Round 4: Where Kournikova has obviously 'put it about a bit', Sharapova has often gone on record about wanting to find true love, and is an easy winner of our romantic fourth round.

Off Court Activity

Sharapova

Maria recently signed an exclusive deal with Nike worth 70 million dollars – the most lucrative endorsement ever for a sportswoman – who beat off stiff competition from Holland's Pies, Dr Oetker and Peterborough County Council. But it's not all one-way traffic. Sharapova is known for her charitable work, and is a United Nations Development Project Goodwill Ambassador, which we're sure must involve doing some nice stuff for people and whatnot.

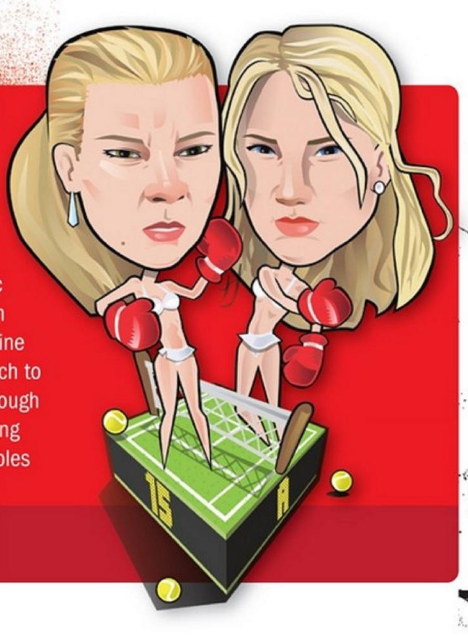
Kournikova

Anna has been the face of everything from Adidas to Berlei bras, but after retiring from the game in 2003 she'd have been lucky to pick up an endorsement deal with even the lowliest of companies, although the Russian baseline beauty did apparently turn down Farm Foods in 2006, a gig which instead went to Ally McCoist. Kournikova's charity efforts include Sir Elton John's AIDS Foundation.

Round 5: Maria Sharapova is one of the wealthiest sportswomen in the world, and a charitable one at that. If Kournikova had only accepted that Farm Foods deal back in 2006 she could've competed.

Result

With the two sexiest tennis stars ever to grace the court going head to head it was always going to be a close call, particularly considering Sharapova's radioactive past and Kournikova's genetic connection with Greco-Roman wrestling. After a titanic baseline tussle, it's game, set and match to the stunner from Siberia, although of course we will still be viewing Kournikova's Wimbledon doubles comeback with interest...



GINA LYNN

PHOTOGRAPHY: SAGE STYLE

Several successful forays into the mainstream left fans fearing that Puerto Rican hottie Gina Lynn might ultimately leave the industry for Hollywood, but at the age of 36 she's still making mucky movies and getting her kit off for stunning magazine spreads like this one, shot at the luxury Sage Style condo in California.

"I did some work with Eminem in one of his videos and had a very small role in *Analyze That* with Robert De Niro," she told us during a short email exchange, as for some reason the company wouldn't stump up the cash to fly us out to the shoot to interview her in person.

"There was no way I could ever leave porn behind," Gina continued, probably typing with one hand whilst slowly massaging suncream into her left breast with the other. "It's my chosen career and I still love it! Porn is my passion."

This year the latina lovely was rewarded for her loyalty with induction into the AVN Hall of Fame.

"It's my proudest moment so far!!" she typed, obviously still chuffed to bits. "But now I'm going for a swim. Bye for now *MensWorld*!"

Charming. I bet it was a skinny dip, too…

SPURTS ILLUSTRATED!

LOVE THEM OR HATE THEM, TATTOOS ON GIRLS ARE HERE TO STAY. WE'VE GOT READERS WHO CAN'T STAND THE SIGHT OF THEM, AND READERS WHO LOVE TO SEE SOME INK ON THEIR FAVOURITE CHUG-GLUGGERS. WE TAKE A SURVEY OF SOME OF TODAY'S HOTTEST PORN STARS TO FIND OUT JUST HOW MUCH TIME THEY SPEND HAVING 'MEANINGFUL' THINGS PERMANENTLY ETCHED ON THEIR CURRENTLY TAUT BODIES. IT TAKES ALL SORTS...

ANGELINA VALENTINE
"They look amazing!" was Angelina's response to her tit tattoos. We agree. The 34C knockers do attract quite a lot of attention, but the ink gets its fair share, too. Perhaps most appropriate is the one that would go right above her muff line (if she ever sported pubes) that says, 'Dios te bendiga bendicion'. Loosely translated, it means 'God blesses you'. Who could come face to face with that snatch and not agree?

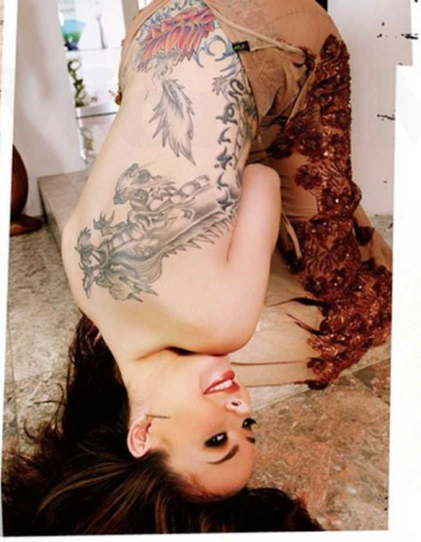
JANINE LINDEMULDER
Not only is Janine one of the most beautiful women in the history of porn, she also has some of the greatest tattoo work. She retired in 1999 and by the time she came back in 2004 she had gained much colour. Her sleeves are a lush landscape of butterflies, roses, fish and more, and she has now also done most of her back and even sports an elaborate clown on her left ankle. For fun, try to find where it says 'Alis Volat Propis' ('She Flies With Her Own Wings').

JOANNA ANGEL
One can't discuss tattoos without bringing this alt goddess into the conversation. Joanna has appeared on *LA Ink* (getting a tattoo, obviously) and in the *New York Times* and managed to attract attention beyond the adult industry immediately. Certainly that has much to do with being beautiful and articulate, but don't underestimate how far her ink goes in creating her image. Now if you can stop looking at her pluggable body long enough, check out her fantastic tats.

LORELEI LEE
Lorelei made her name in bondage and BDSM sites, particularly with *Kink.com*, and then joined the hardcore ranks in 2006. In an interview last year she said that, "Being a porn performer is similar to being a kind of athlete. In that capacity, you have to perform on schedule and under demanding conditions." What could be more demanding than taking on a couple of professional cocksmen? The platinum blonde starlet pulls it off brilliantly. Oh, nice tats too, love.

MIKAYLA MENDEZ
This Wicked Pictures contract star has an impressive inventory of ink: flames on her back, a lotus on her left ankle, a skull on her right ankle and a sacred heart on her neck. Apparently liking the number, she also sports four piercings (two belly, ears and lip). While the folks at Wicked seem to shoot around it most of the time, Mikayla's work does find its moments. While the ankle ink tends to get the most play, there's no hiding the neck during a wild blowjob!

MONIQUE ALEXANDER
Some things don't come as advertised and, by all accounts, Monique's 'Bad Pussy' tattoo on the back of her neck is false advertising. Or maybe it's referring to one of the two kitties she sports. Either way, me-ow! The Vivid Girl also sports a pink star on her left foot, a lotus



flower on her right wrist, a lily and butterfly on her back and pianese flowers and butterflies going down her right side. "I believe my body to be a canvas," she says, "and my tattoos to not only be gorgeous art, but also a symbol to show where I was at in that part my life. It's pieces of my life portrayed in art form." That's lovely, now make with the cock-polishing…

THERE'S NO HIDING MIKAYLA'S NECK DURING A WILD BLOWJOB

REGAN REESE

This is another Latina hottie that loves getting tattoos and, if our sources are correct, has now started doing tattoos on others. If Regan's half as good at that as she is at sex, then folks would be lucky to have her work on them. Regan got her start working in a sex shop where she says her, "eyes opened up to this amazing world of expressed sexuality." She later got into stripping and then at 21 went hardcore. Speaking of hardcore, check her skin for birds, a skull, a paw print and other visual stimulants.

SOPHIA SANTI

When Sophia was 18 she began the process of decorating herself and the koi fish on her right side is still a work in progress, but the goddess tattoo that covers much of her back and left side is done. Santi says she really identifies with Guan Yin, the goddess of compassion and mercy who sits on a lotus and rides a dragon. Er, so do we. We sense a sexual overtone to that as well, and while she is bisexual, for the camera Sophia is exclusively girl-focused. Not that anyone is going to complain about seeing the super-hottie pair up with ladies like Stoya, Jesse Jane and Jenaveve Jolie.

BELLADONNA

There is probably no single porn star more identified with her tattoo than Belladonna. While she has nine tattoos, when you see the large Chinese dragon tattoo on the front of her left shoulder that snakes down over her left breast, you know it's the real Belladonna! Also dig her BEBE on her left knuckles and 'Loyal' script on her lower back. Loyal to getting doinked by loads of dicks, more like.

SADIE WEST

Everyone has different inspiration for the tattoos they get, and Sadie's large design on her left side is three flowers that represent her two brothers and sister. She also has her mother's name and waves that represent how she is at peace with herself. Add to that a rose on her foot with her father's name – which was left out of the larger family tat because she and pops weren't getting along at the time. But of course you probably knew all this just by looking at them…

BEHAVIOUR

OUR *MENSWORLD* MODELS ARE A RACY LOT, AND WHEN THEY'RE NOT STRIPPING OFF FOR US, THEY'RE USUALLY UP TO SOME KIND OF MISCHIEF. THIS MONTH

ASHLEY

PHOTOGRAPHY: ANDREW HAYEK

ASHLEY

My ex is a mechanic, so I guess I was always used to being around cars and bikes and all that. So when I got offered a modelling job in a garage, I took it in a flash. I miss my old boyfriend and the thought of the scenario brought back memories (he's married now, while I'm still single and on the prowl).

True enough, as soon as I got to the location it totally reminded me of life back when we were going out – the smell of oil and rust, the stacks of car parts everywhere, the tools, the cold metal, all of it. And that's when the memories started giving me very dirty thoughts…

See, when me and Todd were together, we'd often spend the afternoon fucking in his garage when he didn't have any customers. I'd show up after my morning lectures, bend over the bonnet of whatever car he was giving an MOT, and then he'd service me good and proper (without the oil change, of course). As I got down to my underwear on this garage shoot, I remembered how he used to slide his big prick in and out of my pussy, and spray his spunk all over my body. The bits that splattered over the car I'd lick off for him, making sure I got every drop. We had such fun back then, and now here I was, legs wide open, and jutting my tits out for a good-looking guy with a camera while his make-up girl (a cute goth girl) watched on.

It was when I pulled my knickers to one side that the photographer (I never got his name) must have noticed just how fired up I was. My pussy was dripping wet, and when I slid a finger between my lips he watched me spread my juice all over my inner thighs. I think the make-up girl noticed too, cos she blushed, and I could see she couldn't take her eyes off me. She was pale, skinny and very pretty, with jet black hair and some pretty cool tattoos on her bare arms. I'd never really considered sex with girls before but she was exactly the type I'd go for if I was to do it. And, of course, I did.

Whilst I rubbed my clit and started moaning, I caught her gaze and didn't let go of it. Rather than avert her eyes, goth-girl got out of her seat and came over to me, dropping to her knees in her skintight jeans and burying her face in my snatch. I realised then that she was obviously a dyke through and

STAINLESS TWEEZERS

I SLID A FINGER BETWEEN MY LIPS AS HE WATCHED ME SPREAD MY JUICE

through, and couldn't resist the sight of a cutie like me displaying her hot bod. 'Clever girl,' I thought. 'This is the right line of work for you!'

The snapper tried to take more pictures as this hottie slurped away at my cunt, but she looked at him angrily and told him to put the camera down. She obviously didn't want any pictures of herself appearing in mags like this one, and the photographer didn't need to be told twice. He put his camera down and watched the pair of us in our slutty embrace, and then proceeded to get his hard dick out of his jeans and start giving himself a good tug.

As the goth licked away, I started to feel the sensation of an orgasm build in me. I was ready to cum but I wanted to do it with a mouthful of cock (I hadn't had a shag in months before this point) so I called him over breathlessly. He was at my side in a flash, and stuck his thick cock in my mouth. I wrapped my lips around it and sucked, closing my eyes in ecstasy as the goth-girl's tongue did its work. I bucked my hips and started to orgasm, while she moaned and rubbed her lips against my juicy slit. The feeling was so intense, heightened by the fact that a pulsing dick was filling my mouth. I was worried he was going to blow his load there and then, and I really wanted to feel it in my pussy, so I pulled away and told him to fuck me.

He didn't need asking twice – he pushed the goth out of the way and slid his prick in my soaking wet hole. It filled me up nicely, and he started ramming it hard into me so I could feel his tight balls against my bum. The goth watched us for a bit and then came and took her place by my side where he'd been, feverishly snogging me as I got the lay of a lifetime. She wasn't the slightest bit interested in his cock, and I never got to see her with her trendy clothes off, but she passionately kissed me while I was getting fucked, and I have to say I loved the sensation.

Before long, the cameraman started to make the sounds like he was going to lose his load, so I pushed the goth back a bit to get a good view. I told him to jizz all over me, and he gave me that look that says 'here it comes' before pulling it out and squirting a thick spray of sperm my way. The funny thing was, he was firing so hard and with so much, he managed to

I WRAPPED MY LIPS AROUND HIS COCK AND SUCKED, CLOSING MY EYES IN ECSTASY spray it all over the goth girl's T-shirt and even managed to hit her in the face, as well as mine. I was worried she'd get all stroppy about it, being a lesbian and all, but she seemed to find it fascinating, and even licked the droplets up from her chin. And after that taste, she shocked the pair of us by bending down and slurping up every last bit of jism from my body – she sucked it from my tits, from my belly-button, and from my pussy, but studiously managed to avoid touching the guy's dick. Then she gave me a lovely French kiss again, so I got a good taste of his spunk too.

As you can imagine, the sight of two birds sharing his load got our horny friend straight into the mood again, and as she kissed me I felt my pussy lips being spread apart and once again filled with cock. This second fuck was harder and lasted longer. I managed to manoeuvre myself so that I was on all fours this time, so he did me from behind while the goth and I explored each other's mouth with our tongues. She reached a hand between my legs and strummed my clit whilst he banged me. I was starting to feel bad that she wasn't getting her pussy played with, but she didn't seem to mind at all. She obviously just got off on doling out serious pleasure.

This time, when he came he did it inside me. I felt the spurts of jizz fill my cunt as he moaned and bucked behind me, and she kept fingering me after he pulled out his dick, so she got her fingers nice and messy with his cream. She then pulled them out of me and brought them to our mouths, and we greedily licked the salty sperm from her fingers. And then she winked at me, pulled away and went back to her make-up bag. I realised we were barely into our shoot and had a whole lot more photos to take. We were all a bit knackered but she came back over, fixed up my make-up, and we were shooting again in next to no time. You might be able to see from the photos that I'd just been fucked senseless and my pussy was still full of spunk. I hope you enjoy looking at them as much as I did having them taken!

I FELT THE SPURTS OF JIZZ FILL MY CUNT AS HE BUCKED AND MOANED BEHIND ME

EDEN

PHOTOGRAPHY: HICKS

Some girls really suit the glam look, with loads of make-up, fancy lingerie and their hair all carefully coiffured, whereas others seem to lend themselves to a more minimalist approach; very little war-paint, a simple outfit and their locks just left to flow.

Effortless beauty Eden for us fits into the latter category, and American snapper extraordinaire Stephen Hicks has done a great job in keeping everything very simple and allowing her God-given qualities to shine through.

The lush outdoor location is the icing on the cake, giving the impression of an idyllic secret countryside hideaway where Eden regularly likes to frolic around in the buff, dancing and singing like a woodland nymph and giving all the forest folk these stonking erections…

Okay, so perhaps I'm getting a bit carried away, but it's easy to start fantasising and daydreaming when faced with such a vision of beauty, as my actions for the last three hours will testify.

And speaking of fantasising, for all my bollocking on about the natural approach, wouldn't it be great to see Eden all decked out in stockings and suspenders and made up like a filthy tart?

Hmmm… well that's the next three hours taken care of…

ACTION PACKED!
I'm addicted to fucking and masturbation, and recently one of the guys I'm fucking asked to film me playing with myself. He mounted the camera on a tripod so he could wank himself off as he watched me pound my pussy with a dildo, and pull my pussy lips open to flick my clit.

A few days later, we posted it on an amateur porno website, with contact details, and got enough filthy responses to persuade us to shoot our own gangbang movie. We actually started it with a cum shower. We told the men we invited to hold off masturbating for the day before the shoot, so it begins with me in the centre, using my trusty dildo, while six cocks are being pulled off around me.

One by one they shoot their muck all over my naked body, and I'm writhing around coated in it, smearing it over my skin and licking it off of my fingers. One of the co-stars I picked was just 20, so he was hard again in no time, and so got the first fuck of the day. He's on me in missionary but fucking like a jackrabbit, and it's over pretty quickly, too.

My fuck-buddy yelled at him to pull out for a pop-shot, but just to show who was really the boss, I hooked my legs behind his back, so he spunked inside me. That way, Mr. Director got to close in on it running out my twat and down to cream my arsehole.

Next up, a bloke is fucking me between the tits, while another dangles his stiffening dick over my mouth, so we get to watch me suck it hard. My twat didn't go unfucked for long, though, and he leans backward so you can see it move in and out. His fingers find my clit, just before my own hands close around two more big dicks, wanking them ready for when I need them. Tit-fuck man blows first, spraying even more mess over my boobs, but blowjob man lasts longer. He pulls

out so I'm left licking just the head of his cock with my outstretched tongue. Then he lets me take one more suck before pulling out. He wanks most of it into my open mouth.

I've laid on my back for long enough by now, so I get on my hands and knees. One bloke kneels behind me and does me doggie style, shoving my cheeks together around his shaft. Mr. Director pulls off my favourite shot, holding the camera underneath so you can see him pump in, his big nuts swinging.

My stud is in control and pulls out, spraying me right down from my arsehole to my clit. Meanwhile, two of the younger ones are having a random wank contest, seeing who'll be first to spurt on my bum cheeks, knowing they'll be hard again for me when I need them.

In fact, one of them does the anal scene with me – every porn film needs one! – while all the others gear up for the grand finale. Mr. Director said we should bookend our movie with another circle-jerk, and this time it's going to be right into my mouth! Good thing I like the taste of jizz. The blokes are there, spanking their dicks and when the first one's ready to pop I open wide and take it. Not quite a mouthful, until his mate tops up the level and I need to swallow to take it all.

That's where it goes slightly wrong. One of them has the most deliciously suckable prick, and I can't deprive myself. I start gobbling him, thinking it's only going to take a minute or so, but he keeps going strong, and I feel the warm splash of some other bloke who has to jizz on my tits instead. In the end, blowjob gman is actually the last to cum, but I think his spunk is never going to stop flowing, there's so much of it!

Mr. Director thinks we may both have a new career in porn. Well, now and again it could be fun. But maybe next time, I'll forget the camera and get gangbanged purely for my own pleasure!

Sammy, Halifax

REVIEWS

PORN, GAMES, BOOKS AND EVERYTHING ELSE

Bodyguards and Assassins

E1 Entertainment, £12.99

It wouldn't be the *MensWorld* reviews page without the traditional monthly instalment of violent martial arts action, and what a cracker we've got in store for you this issue in Teddy Chan's *Bodyguards and Assassins*.

Winner of eight gongs at the prestigious Hong Kong film awards, and featuring a star-studded cast, this beautifully shot epic concerns the 1911 Xinhai Revolution and the events that ultimately led to the founding of the Republic of China.

Part historical drama and part action thriller, with incredible fight sequences and stunt set-pieces, *Bodyguards and Assassins* is a lavish movie featuring an involved plot and characters you actually care about. Okay, some of the fights are a little over the top for a serious period piece, with people jumping 20 feet up into the air and flying here, there and everywhere, and I can't vouch for the accuracy of its depiction of history, but what I can say is that it's a quality martial arts flick with brains that's worth a couple of hours of anyone's time.

Rock Her World

Vermilion, £11.99

He's directed and starred in countless porn flicks and professes to have fucked more than 600 women, so it stands to reason that adult industry legend Seymore Butts might be able to tell us blokes a thing or three when it comes to pleasuring women. His book, *Rock Her World*, sets out to do just that and more, and, amongst many other things, claims that it will help the reader become more attractive to women, learn how to fuck like a rock star, and discover new-found confidence in the bedroom. Bold claims indeed…

Tackling issues such as premature ejaculation, penis size and the joys of anal sex, to how to chat up women, ways of properly satisfying your partner in bed and how to find her G-spot, Butts offers a step-by-step guide to becoming a bedroom legend.

Books of this type are nothing new, but Butts' engaging writing style and humorous reflections on his own experiences throughout what can only be described as a very interesting life elevate *Rock Her World* well above the average, making it a highly-enjoyable read packed with some cracking anecdotes and advice that is always 'intriguing'.

Edge of Darkness

Icon Home Entertainment, £19.99

Although Mel Gibson has had a bit of a rough time of it in recent years, when he's on form the diminutive Aussie superstar is capable of putting in a compelling performance, and he's right back to his best as veteran homicide detective Thomas Craven in this thrilling adaptation of the critically acclaimed British TV Drama, *Edge of Darkness*.

When Craven's daughter is shot and killed right next to him on the steps of his home, he embarks on a personal investigation to find the killer and in no time is involved in a dangerous world of conspiracies, corporate cover-ups and government collusion. His attempts to unravel the mystery are interspersed with touching flashbacks showing the close relationship he had with his daughter, and by the time the movie switches from suspenseful whodunnit to all-out action flick, if you're anything like me you'll be willing him on to track the killer down and take revenge.

Ray Winstone is superb as the CIA operative who tries to help Craven in his quest for justice, and Gibson perfect as the grizzled detective with nothing to lose. Gritty and tense, *Edge of Darkness* comes highly recommended.

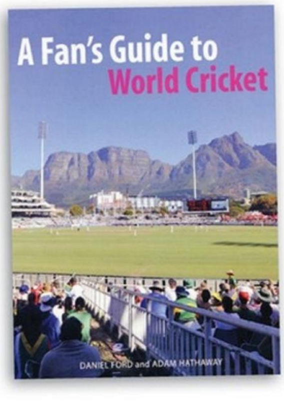
A Fan's Guide To World Cricket

New Holland, £14.99

Being a devoted England cricket follower is a tricky and expensive business, to say the least. If you want to tag along with the so-called 'Barmy Army' then trips will necessarily involve far-flung journeys to the likes of India, Bangladesh, Pakistan and Australia, not to mention plenty of travelling around to different stadiums within each individual country.

With this in mind, it's fairly inevitable that many fans who fancy going to watch England take to the field abroad will be intimidated by the distances and potential complexities of such a journey, and ultimately could be concerned that it might not be worth the money and effort – that's where *A Fan's Guide to World Cricket* comes in.

Featuring country outlines for all the big players in World Cricket – all the way from Australia to Zimbabwe – guides to each city in which there's an international cricket ground, stadium guides, stats and three 'must see' tourist attractions, this book is the perfect read and ideal companion for those considering an expedition to catch England at the crease. Howzat? Great.



MUCKY MOVIES

Janie Summers: The Nude Roommate **Digital Playground**

DP DIGITAL PLAYGROUND
JANIE SUMMERS
the nude roommate
She likes to play and needs a place to stay.

Picture the scene, if you will. So you've just rented a beautiful apartment with a friend and suddenly realise you can't actually afford it, so you have to find a housemate to help with the bills. Several weirdos are interviewed and despatched before finally a gorgeous girl turns up in tight jeans and a skimpy top who seems perfect. Even better, when she moves in you discover that said girl loves nothing more than to walk around naked all the time.

Okay, so it's a fairly far-fetched premise, but it's the one behind the latest Janie Summers vehicle, *The Nude Roommate*, one of the few porn flicks I've seen that actually manages to be both funny and sexy at the same time.

Anyone who is already aware of Ms. Summers will know that she's possibly the hottest, young all-natural talent in the business right now, and her rather offbeat massage scene with a goofy Amish bloke in a strange hat – I wasn't sure either – should have you laughing and then unleashing a torrent of spunk by the time she's sucked him off and swallowed his load.

Very able assistance comes from the likes of hot MILF Diamond Foxxx, who takes it doggy-style before her fella arcs a load onto her gorgeous tits, and the rather pert Cindy Hope, who gives the landlord a great blow-job and gets a pounding in both doggy and mish. Laugh until your cock cries.

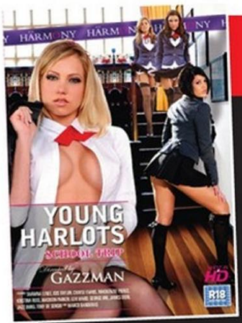
Young Harlots School Trip

Harmony



Firstly, I should clarify that this movie doesn't actually concern a 'school trip' as we might understand the term. It doesn't involve a visit to the zoo, a museum, or even a walk out to do some bark-rubbings. What it really concerns is a bunch of pornstars clad in very sexy interpretations of school uniforms going at it over three hours of hard and filthy fucking. The plot, however, would have you think differently, and the idea is that naughty Geordie pupil Lexi Ward has been sent to an American school by her headmaster in a kind of erotic exchange scheme for errant models who probably last saw a classroom between five and seven years ago.

What Lexi finds across the pond is a bunch of fellow delinquents who are keen to give her some lessons in misbehaving the American way, and in the likes of blonde babe Shawna Lenee, round-bottied hottie Isis Taylor and the incredibly sexy Madison Parker – who is in fact Hungarian, and who must also be on the exchange scheme – she has the perfect teachers. As the perverted pupils fuck, suck, gangbang and take anal shaftings in short skirts and suspenders as part of their carnal curriculum, our guess is that you'll come to the same conclusion as we did here at *MensWorld* – learning has never been so much fun.

Ladies Who Lust

LADIES WHO LUST

A filthy flick featuring loads of really sexy lingerie and some of the best British girls in the industry, *Ladies Who Lust* is essential viewing for fans of homegrown talent enjoying hardcore fuckings in a series of kinky outfits and gritty scenarios.

Slutty blonde beauty Michelle Moist enthusiastically humps a big, black dong in an interracial scene also notable for the fact that the cocksman wears a lovely cowboy hat, which you don't really see enough of in pornos these days. Nottingham-based strumpet Lolly Badcock also enjoys some ebony action, taking it up the arse in a typically rampant performance from the raven-haired hardcore queen.

Cate Harrington and Tammie Lee get into a lezzie lather in the bathtub before Cate dons some very sexy stockings and a strap-on and gives the now fishnet-clad Tammie a rogering to remember.

But this three hour filth-fest isn't all about the Brits, with Hungarian harlots Lisa Sparkle, Angelica Heart and Aleksa Diamond also getting in amongst the action, between them taking on DPs, spit-roasts, and even a two cocks in one mouth double blow-job. Impressive stuff from the Budapest beauties.

To reiterate – for those who enjoy their fucking hard, fast and with plenty of lingerie, *Ladies Who Lust* is a must.

NOT SAFE FOR WORK

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND…

SHITMYKIDSRUINED.COM

Children, eh? Who'd have them? They cost a load of money to look after, they fuck up your social life, they shit, piss and puke all over the place… Honestly, the idea of raising a little brat terrifies many of us here at *MensWorld*, and if you're of the same mind then I suggest you approach *shitmykidsruined.com* with caution.

The image of a Porsche wrapped around a garage door should be enough to put you off breeding forever, and the numerous pictures of smashed windows and bashed-in prize possessions could seriously make you consider never having sex again, or at the very least you might want to think about doubling up on johnnies just to be safe.

Parents logging onto this site, however, will most likely find themselves nodding sagely and finding solace in the fact that people around the world have endured the same kind of destruction and outright vandalism at the hands of their so-called beloved offspring. Whither King Herod?

The place for people to share things they're willing to do for $5

Buy. Sell. Have fun.

What would you be prepared to do for a fiver? Would you be able to provide expert relationship advice? Would you sing Happy Birthday on the telephone to someone in French? Well, these are just a selection of the duties that people at *fiverr.com* are offering to perform for the princely sum of five dollars – a bargain £3.47 in our money. The premise is simple but effective. Think of something you're really good at and then advertise a service to the *fiverr.com* community for roughly the price of a pint. If this sounds like too much hassle, then why not take someone up on one of their offers? We're considering contacting the fit bird who says she'll make a minute long video of her saying anything you want – but for £3.47 she'll have to get her tits out and talk dirty…

ANGRYMOB.UPONNOTHING.CO.UK/DAILY-MAIL-DICTIONARY

ANGRY MOB
We read the papers everyday

The *Daily Mail* is the newspaper that divides the nation. Some people despise the opinionated bile it spouts on everything and anything. On the other hand, a circulation of nearly 2 million suggests that a considerable amount of people must actually like the rag, and the less said about those c-, ahem, characters, the better. The *Daily Mail* dictionary takes all the things in modern society that get the middle-England loving tabloid's goat, gathers together many of its opinions and ideas, and then mercilessly parodies them all in a concise and funny A-Z format. Add your own suggestions or simply enjoy the existing contributions and witness the nation's most cuntish newspaper get the satirical slamming it undoubtedly deserves.

OMEGLE.COM

omegle

Picture a website where you could just log-on without registering any details whatsoever and have an anonymous conversation with a complete stranger from anywhere in the world. Imagine the freedom! And the opportunities to insult people from across the globe without facing any consequences! Well, this website actually exists, and it's called *Omegle*. Click on the 'text' button and you'll be linked up with a randomly selected user who is looking to have a natter. Type whatever you want into the box and away you go, with the conversation continuing until one party gets bored/offended and disconnects. But please think twice before disclosing any personal details or arranging to meet 'Saskia' the 'flirtatious foreign exchange student' down an alley in Swindon, even if she does seem very nice…

STREETVIEWFUN.COM

It was inevitable that when *Google* took on the task of filming the streets of the world for their handy but intrusive 'Street View' facility, that they'd inadvertently end up capturing some funny and weird stuff and putting it online, and that's where *streetviewfun.com* comes in. It's a place where people who have stumbled across something hilarious, interesting, or, as in numerous cases, scantily-clad birds, can send their findings, and in return the site gathers them together for the viewing pleasure of all and sundry. Burning vans, people getting knocked off their bikes, some blokes having a piss, a man on roller blades falling over, someone running around with a box on their head, a dog attacking a carrier bag, scantily-clad birds, You get the idea. It's sweet.

ELLE

PHOTOGRAPHY:
AUTOMODELZ

We join Elle just relaxing around the house in her slobs, possibly about to sit down and watch *This Morning* with a bowl of Coco Pops and a nice cup of tea…

I'm joking, of course. In fact, it's a long time since we've had a model turn up to a shoot with such an outrageous outfit in tow, but we were naturally more than happy to give in to her demands and allow her to wear it on set.

The handcuffs and leash we weren't quite so sure about, but hey, she's a beautiful girl, and if we've got a weakness here at *MensWorld* – apart from booze, fags and the all-day breakfast – it's a pathetic eager readiness to submit to the demands of beautiful girls.

"I want the readers to imagine that I am their slave," Elle said to us after we'd finally managed to uncuff her from that thick metal pole. "I would like them to picture me chained up and at their mercy, or theirs to walk around on a dog lead, willing to go wherever they wish and do whatever they please. I have this fantasy about being dominated…"

Alas, when we offered to put the cuffs back on and give her a good, ahem, 'dominating', Elle wasn't quite as receptive to our requests as we'd been to hers, and we received a cutting rebuffal.

"Firstly, I said it was a fantasy," she said with a smile. "And secondly, I mean dominated by real men, not a bunch of big softie pushovers like you lot!"

Honestly, we've never been so hurt and offended in all our lives.

MensWorld's

Pub Bore

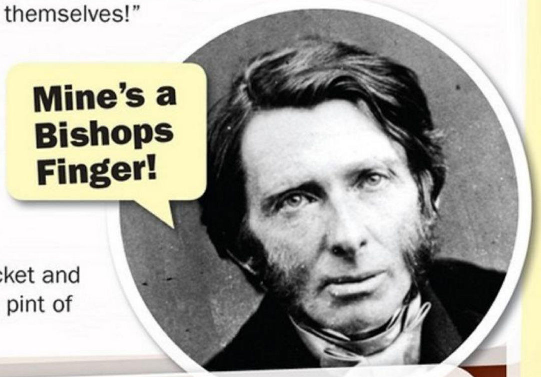
Nursing half a pint of best bitter in the deepest, darkest recesses of the magazine, it's our self-opinionated beer-addled font of all knowledge…

Alcoholic Anecdotes

"Dave had the England Test Match against Bangladesh on the other day. Bloody boring it was, and it reminded me of a quote from the late, great George Bernard Shaw: 'The English are not very spiritual people, so they invented cricket to give them some idea of eternity'."

"Now then, young man!"

"And with everyone so bloody obsessed with the World Cup at the moment, it made me think about this cracker from Brian Clough: 'Players lose you games, not tactics. There's so much crap talked about tactics by people who barely know how to win at dominoes'. I've always though those bloody commentators and managers were a waste of time, just let the players get on with it – they're paid enough to manage themselves!"



Mine's a Bishops Finger!

"And finally, because it's your round, this one from the great poet John Ruskin: 'There is no wealth but life.' So get your hand in your pocket and let's live a little, mine's a pint of bitter Squire!"

Session Story

"I saw on Sky News the other day – well, I saw it about 14 times to be honest, the way they repeat things on those bloody channels – that they're locking six blokes up in a room for 18 months to see if man could cope in the head with a mission to Mars.

Personally, I don't think I could manage with being cooped up for that long without any fresh air or exercise, not to mention missing *Deal or no Deal* and *The One Show* every day. And imagine having the same boring company for a year and a half! I'd go mental. You can keep your missions to Mars – the mission to the bar on a Saturday night in here is enough for me!"

Current Affairs Corner

Cameron? You're Avataring a laugh!

"Ever since Dave got satellite TV in here I've found myself watching more news than I think I've ever done in my life, and the big thing at the moment is that oil spill in the Gulf of Mexico.

I thought I'd had one too many halves when they said that BP were blasting old golf balls at it in an attempt to stop the leak, and when they said that the film director James Cameron was going to get involved I had to go outside and get some fresh air. It seems terrible that he wants to make a blockbuster movie about the problem before it's even been sorted out.

The strange thing is, I went over to the BP garage across the road the other day for some cigarette papers and the bloke behind the counter didn't even seem bothered. He said he had enough on his plate remembering to switch the pumps on and making sure to give everyone the right change."

"What about the kebab shop owner in Scotland who wants to run the 100 metres for Turkey at the 2012 Olympics?! Apparently they're going to let him do it if he can run it in under 10.8 seconds, and he's already clocked close to 11. The bloke – Iskan I think he's called – moved to Scotland to work in his Uncle's kebab shop 15 years ago, and when he started training properly found he was a bit of a sprinter.

Personally I wish him all the best, it gives hope to us all. Are they having darts in the Olympics? I've thrown a few arrows in my time…"

Useless Facts*

(*Not Guaranteed Facts)

"The closest galaxy to our Milky Way galaxy is Andromeda, and even travelling at the speed of light it would take two million years to reach it. Nearly as long as it takes to get served in here, then!"

"In ancient Japan, public contests were held to see who in a town could fart the loudest and longest. Winners were awarded loads of prizes and received great recognition. When I drop my guts in here I just get booted out into the beer garden!"

"According to an article in some free paper I was reading the other day, thirty-five percent of the people who use personal ads for dating are already married. The cheating buggers! I was with my Mary for 46 years and I never looked at another women."

Have you got a useless fact, a shamelessly blinkered opinion, a rambling anecdote or a long, drawn-out story you'd likea to share with the Pub Bore? Send your contributions to: The MensWorld Arms, 3rd Floor, 207 Old Street, London EC1V 9NR.
